

Hello, I'm Sania

24 years old, building eye-catching UI as a frontend developer. I specialize in creating responsive, user-friendly, and secure websites using HTML, CSS, JavaScript. I am passionate about creating high-quality software that meets the needs and expectations of the users. I am looking for a challenging and rewarding opportunity to join a dynamic and innovative team of software developers.

Frontend Developer

I have been working as a professional VueJs developer for a year now. I have developed several frontend projects in ReactJs as well. I am also learning Java for a while now. My portfolio site link :- <https://resume2024.vercel.app/>
